August 2016

Dear Parents of FUMCLG Third Graders,

We are looking forward to presenting Bibles to your third graders!!

This year, Bible Sunday will be on Sunday, September 11th. We will be taking a group photo before the worship service on the 11th, so please be in the Gathering Space by 9:45 AM that morning. The first several pews in the sanctuary will be saved for third graders and parents/guardians, and we will all enter as a group before the service begins.

We will be highlighting a special verse in your child's Bible just for him or her. We'll tell them that we have done this, but not what verse, and encourage them to find their verse. This will get them started exploring and learning about their Bible.

We are asking for your help in finding the right verse for your child. Perhaps you have a favorite verse, or perhaps you would like a special message to be highlighted for your child. The attached page has some examples for you to consider. I am happy to help you with this if you want more examples, or if you want something specific that isn't on the list. Just call or email:

Jen: children2@fumclg.org 316-350-4600

Teachers of the third and fourth grade Sunday School class help the children learn and explore the Bible each Sunday in Sunday School, so we encourage you to remind your child to bring his or her Bible along to Sunday School each week.

Please email me as soon as possible (children2@fumclg.org) with your child's complete name as you would like it to appear in their Bible and the verse you would like highlighted.

We are looking forward to this special day for you and your third grader.

Sincerely,
Jennifer Robison
Co-Director of Children and Family Ministry
